

Building and Grounds Maintenance

Canadian Lakes Property Owners Corporation is seeking Building and Grounds Maintenance workers. Candidates must be physically fit, punctual, have a clean driving record and should be able to identify and repair common building maintenance issues. Construction, electrical, HVAC or facility maintenance experience a plus.

Canadian Lakes is a private community that offers a wide variety of amenities to its members including golf courses, campgrounds, lakes, pools, airport, parks, restaurant, and several clubhouses. Selected candidates will be working in all these areas.

Apply in person with Bill Hull at the CLPOC Maintenance Department located at 10539 Pierce Road in Canadian Lakes or send your resume to Bill Hull at bhull@clpoc.org.
