

Safety Officer Job Description

This is a part time position under the direction and supervision of the Canadian Lakes Safety Director. Strong person to person interaction, conflict management and military and or law enforcement skills welcomed and encouraged. The ideal candidate should live close to or in the Canadian Lakes area and have weekend availability.

Job Duties:

- Monitoring and patrol of Canadian Lakes property and assets
- Canadian Lakes rules and deed restriction enforcement
- Emergency management during weather events and or other unforeseen circumstances
- Traffic control and special events management as needed

Qualifications:

- Excellent people skills, proficient in organization and problem-solving techniques
- Proactive work ethic, both alone and in a team focused environment
- Emergency management and first responder skills preferred, but not required
- Ability to follow directions

Availability:

Shifts available will be on Friday, Saturday and Sunday and as needed for fill-in opportunities. Approximately 16-20 hours per week. Position looking to be filled immediately.

To Apply:

Please email resume to Rob Mickey, Safety Director at rmickey@clpoc.org.
